

STAYS is a captivating social network designed to empower its members to share compelling stories about their stays or events during travels. The goal is to recount anecdotes and life experiences that have shaped individuals and evoke a sense of wanderlust or a deeper understanding of different cultures. When you STAY somewhere, you delve into the lives of people even for a brief moment. Here are some key features that make STAYS a unique and enriching platform:

- **Dynamic Storytelling:** Members can share their travel experiences through vibrant storytelling, whether in the form of text or engaging audio recordings.
- **Cultural Connection:** STAYS fosters a community where users can appreciate and connect with diverse cultures, creating a global network of storytellers.
- **Immersive Activity Feed:** The dynamic feed provides users with a curated stream of captivating stories, creating a space for exploration and inspiration.
- **User Interaction:** Enhance your experience by following fellow members, liking stories, and engaging with a supportive community.
- **Tailored Feed:** Users have the flexibility to curate their feed by following or unfollowing members, ensuring a personalized and enjoyable content experience.
- **Favorite Publications:** Easily access a compiled list of your favorite stories, making it convenient to revisit and share memorable content.
- **Secure Account Access:** A user-friendly password reset option via email ensures account security and easy access.

- **Profile Customization:** Personalize your profile by updating information, allowing others to connect with the evolving aspects of your journey.
- **Publication Management:** Exercise control over your content with the ability to delete or edit your publications, shaping your narrative within the community.
- **Timely Notifications:** Stay informed about the latest stories with a robust notification system, ensuring you never miss updates from authors you follow.
- **Country Insights:** Explore beyond the stories by clicking on mentioned countries, redirecting you to dedicated pages offering insightful demographic data.
- **Seamless Authentication:** STAYS supports social authentication, streamlining the login process for added convenience.
- **Daily Cultural Updates:** Receive daily email updates at noon, providing intriguing information about each country mentioned by the accounts you follow.
- **Deletion Alerts:** In the event of an account deletion, users are promptly notified via email, ensuring a seamless experience.

STAYS invites you to join a vibrant community where every story shared contributes to a global tapestry of diverse experiences. Immerse yourself in the art of storytelling, cultural appreciation, and the boundless spirit of travel.
